3.3 **New Entry Requirements/ ***NOVICE ELIGIBILITY*** PLEASE READ**

In order to be eligible to show in novice non-pro classes, the non-pro must have fewer than 20 points (including points earned in non-pro, novice non-pro, 35 & over non-pro, masters non-pro, youth and novice youth divisions) in that class in the ApHC, ApHCC and/or any other breed association as of January 1 of the current year and must not have won an ApHC non-pro National or World title or National or World title in any other equine breed association (ie: *ApHCC, AQHA, APHA) in that class (beginning 1/1/1996). In addition, **former professionals reclassified as non-pros are ineligible to compete in any novice classes.**

To be eligible to show in a novice youth class, the youth, as of January 1 of the current year, shall have earned less than a combined total of 20 points in the ApHC and/or any other breed organization –approved or –sponsored shows in the group of youth and novice youth classes that count toward determining novice eligibility in each of the five novice youth classes, excluding walk-trot, leadline, hunter in hand and halter. The youth must not have won an ApHC youth National or World title or National or World title in any other equine breed association (ie: *ApHCC, AQHA, APHA) (beginning 1/1/1998) in that class to remain eligible.

**Points and National Titles (Canadian National Appaloosa Horse Show) from the Appaloosa Horse Club Of Canada do count towards determining Novice Youth & Novice NonPro eligibility.*

Further Verification from the ApHC:

Dear AHAA –

Novice youth and novice non-pro classes are restricted to those exhibitors who have earned less than a combined **total** of 20 points in the group of classes that count toward determining novice eligibility for each novice classes. Points from ApHC–approved and –sponsored shows count in addition to points earned in other breed organizations. Specifically, points earned by competing with **Appaloosa Horse Club of Canada (ApHCC)**, AQHA, APHA, PtHA, PHBA, POA, ABHA, ABRA etc. would count toward that point cap and would disqualify an exhibitor from competing in novice if they've earned 20 or more combined points from these organizations in these groups of classes.

If you have any specific questions about this, please contact me.

Sincerely,

Keri Minden-LeForce
