The recipient for 2013 is Thunderstruck Ranch, Jim Dobler and Heather McLevin.

Jim and Heather have been long time members of the AHAA, valued

“Each year our Special Recognition Award is given to a member of the association that has exemplified large support and promotion of the Appaloosa breed throughout the industry.

This year’s Special Recognition Award recipient is a pillar of our appaloosa community. Their continued dedication to the Appaloosa Breed through their breeding and training program has produced some of the worlds most recognized Appaloosa horses.

The offspring of their Canadian Supreme Hall of Fame breeding program have competed at the highest levels of competition: including the ApHC World Show, NRCHA & ARCHA Snaffle Bit Futurities and the Canadian Supreme.

Their early involvement in the founding of the association (AHAA) and their continued commitment through past directorships and participation have played and integral role in the association’s success.

Please join me in congratulating this years Recognition Award Winner...Thunderstruck Ranch “.
